ABOUT ME

I am currently pursuing my bachelor's degree in Computer Science and Engineering at Green University of Bangladesh.

As a UI/UX enthusiast, aspiring to become a Full Stack Web Developer, I am deeply invested in crafting user-friendly and visually appealing digital experiences.

Beyond my academic pursuits, I enjoy learning about new technologies and spending time on photography, which helps me capture everyday moments. I am always looking for ways to improve my skills and learn more about the fields I am interested in.
